Corix Raises \$325,000 at the 14th Annual *Golf for Kids* Charity Classic

Funds benefit children's charities in BC, including the Help Fill a Dream Foundation, Variety the Children's Charity and KidSport BC

Victoria, BC – September 8, 2012 – Today, Corix Water Products hosted the 14th Annual Golf for Kids Charity Classic and raised a remarkable \$325,000. The flagship event, hosted at Bear Mountain Golf Resort & Spa in Victoria BC, supports over 20 children's charities across the province with 100% of funds directly benefiting each charity.

"We are honoured to take part in our 14th annual Golf for Kids Charity Classic," said Dale Douglas, Golf for Kids Tournament Co-Host and VP of Corporate Development at Corix. "It is incredible to see so many people come out to support the event. It wouldn't have been possible without our sponsors and volunteers and we simply can't thank them enough. It's also been great to see so many young people volunteering their time to the event over the years and we're thrilled to give them the opportunity to make a difference in the lives of so many children and their families."

The Golf for Kids event is an unparalleled fundraising golf tournament filled with much more than golfing – it features raffle draws, silent and live auctions, delicious food and most importantly, camaraderie, laughter and smiles across the fairways straight through to the evening banquet. On September 8, the event kicked off with an emotional opening ceremony where the golfers witnessed the inspiring stories of child cancer survivors, Brian Price and Emily Young, two local heroes and difference makers who set forth to make every day count.

Golf for Kids has raised over \$2.1 million to date, with the last 3 tournaments alone raising over \$1 million. This year, 216 golfers, 125 dinner guests and 110 volunteers collaborated to raise \$325,000.

Douglas concludes, "We are already in the process of planning next year's tournament, which is scheduled for September 7, 2013 at Bear Mountain."
